

When designing our menus we thought very carefully about using local suppliers and prioritizing sustainability where possible. Both **Hop Union** and **Wiper & True** are local Bristol breweries with amazing beer offerings. **Just Pressed Cider**, based in the West Country, donate a portion of their profits to funding their mission of ensuring an AED (Automated External Defibrillator) is within a 3-minute walk of each one of us. **Evrythng Spirits** from Wales are 100% Not-for-Profit, donating all money to ensuring a sustainable future. For our softs, we use **Karma**, who use 100% natural ingredients and 1% of revenue goes to the Karma Foundation, funding life-changing initiatives for our kola nut growers in Sierra Leone.

Moving onto food, we have stayed as local as possible, using **Arthur David** for the majority of our menu, who source as much as possible from local farmers. **Ruby & White** supply our poultry and game; they are Bristol based and strike a great balance between quality and affordability. **LBK**, a tiny independent based in WSM cover us for cleaning and other kitchen equipment. Finally, **Swoon Gelato** supply our ice creams and sorbettos, with genuine Italian heritage and a shop down on park street (make sure you check them out). We hope you enjoy our menu!
